We're Here To Help
Your Business Become
More Successful!

- Do you want to network with other industry owners?
- Need better rates on insurance?
- Need the latest industry wage rates?
- Need help with OSHA or environmental compliance?
- Have trouble navigating the maze of sales tax regulations?
- Need advice on solving an employee problem?
- Interested in saving more on key business services?
- Want exposure to potential customers across the country?

Let's face it - no matter what segment of the graphic communications industry your company is in, growing a profitable business is a challenge. managing expenses, making the right technology choices, navigating the maze of government regulations, developing a productive workforce and staying on top of industry trends are just a few of the tough issues we all face.

Your local printing and graphic arts association is here to help your business gain (and keep) the competitive edge.

Our membership staff is ready for your call!
(858) 800-6900 or info@piasd.org.
