Shipping with Direct Logistics is a simple, repeatable and reliable process.

Tired of logistics delays, carrier confusion, and missed delivery windows?

At Direct Logistics, we take the trouble out of shipping by combining 20+ years of logistics experience with smart technology, proactive support, and consistent delivery performance. Whether it's USPS mail-as-freight, parcels, or palletized freight-of-all-kinds, we move your freight efficiently and effectively, without the headaches you may be struggling with now.

The Right Shipping Solution

- **Palletized Shipments (LTL / Truckload)**
- **USPS Destination Entry Freight**
- **Solid Nationwide Carrier Network**
- **Fast, Accurate Pricing & Reporting**

Is Direct Logistics a Good Fit for Your Business?

If your business frequently ships parcels or palletized freight - including mail-as-freight into the USPS destination entry network - and you're tired of logistics uncertainty, let's talk. Direct Logistics makes it easy, reliable, and cost-effective to ship freight anywhere you need to go. Contact us today for a complimentary, comprehensive review of your current logistics environment.
